

Price, Utah. April 16, 1932.

Mr. Geo. M. Bacon,  
State Engineer,  
Capitol Building,  
Salt Lake City, Utah.

Dear Sir:

Your letter of April 11th, 1932, is at hand.

As you request I am enclosing herewith Findings of Fact and Conclusions of Law, and Judgment in the case of Mary Ambrosio, plaintiff, vs. Maryetta Bertolini and Brazille Bertolini, defendants.

What I desire to do is to sink a well on property belonging to me within a short distance from the main Spring Canyon wash. Is it not possible for me to do this without having difficulty in regard to the Spring Canyon wash water?

I shall appreciate hearing from you as soon as possible in regard to the same.

As soon as you have finished with the Findings and Judgment will you please return the same.

Yours very truly,

*Marietta Bertolini Eleganti*  
*Helper Utah*
